1. Describe the physical area of the polling place. What type of building is it?

2. Does the arrangement of the polling place look similar to the set-up for Student Vote Day at your school? Why or why not?

3. Ask two of the people working at the polling place about their responsibilities.

4. Ask someone, or observe and write down, the steps a person must take at the polling place to cast a ballot.

5. Do you feel like you have a good understanding of the voting process? What questions do you still have? How could you find answers to them?
