

Finding the problem & solution

Name	
Class	

Name of Video Short:	
----------------------	--

Choose 3 problems within a story.
You may choose multiple stories if that helps.

Problem: What is going wrong?

Solution: How did the problem end? It can be good or bad.

Problem 1: <i>(in the story)</i>	
--	--

Solution 1: <i>(in the story)</i>	
---	--

<i>What is another solution that could have happened?</i>

Can you think of another problem in the story?
How was it resolved?

Problem 2: <i>(in the story)</i>	
--	--

Solution 2: <i>(in the story)</i>	
---	--

<i>What is another solution that could have happened?</i>

Finding the problem & solution

Can you think of another problem in the story?

How was it resolved?

*Problem 3:
(in the story)*

*Solution 3:
(in the story)*

What is another solution that could have happened?
