

# Problems and Solutions

## (Extension Activity)

Name	
Class	

Find a video on YouTube or the interweb that proposes a solution to a problem. Then write a piece based on whether you think that solution will actually work. (Why or why not?) **Examples of videos** [\(1\)](#) [\(2\)](#) [\(3\)](#) [\(4\)](#)

*You do not need to spend much time summarizing the video but spend your effort critically assessing the viability of the solution.*

*Will it work or not?*

Please remember to check your work before submitting. Look for errors in capitalization, run-on sentences, punctuation, lack of paragraphs and other convention errors.

- **Reluctant writer** - 50 - 100 words

*If you consider yourself a reluctant writer or do not like to write please aim for 50+ words.*

- **Mainstream writer** - 100+ words

*If you consider yourself a good writer and do not struggle please aim for 100+ words.*

- **Capable writer** - 150 - 200 words

*If you consider yourself a good writer and enjoy writing please aim for 100 - 200 words.*

-------------	--

In one or two sentences describe the problem this video thinks they have found the solution to.

Do you think that solution will actually work? (Why or why not?)
