

Global Goals Project

THE GLOBAL GOALS
For Sustainable Development

Global Goals Project (Project Based Learning)

A) Choices:

I) Choose a Global Goal.

*From the United Nations Global Goals for Sustainable Development
A List of the 17 Global Goals is available.*

II) Choose a Platform

*Choose from a Tri-Board Display, Website, or Digital Presentation.
Other platforms are encouraged if you feel inspired.*

III) Individual or with a partner.

Please consider the benefits and pitfalls of relying on others and the importance of choosing the right partner if you wish to go that route. Time to meet, sharing of workload and compatibility of effort are but a few things that need to be considered.

B) Information and format:

IV) Consider / Research the driving questions.

- *How do I get people to think about my topic?*
- *What does my audience need to know about my topic?*
- *What can individuals do / why should they care about my topic?*

V) Develop a Tri-board, website or digital presentation that contains a balance of information and attention grabbing graphics and charts. *(Use provided template as a guide)*

C) Present & Publish:

VI) Peer review / critique / revision

A chance for any changes you want to make

VII) Global Knowledge Fair

Publish, display, discuss and defend your ideas

D) Reflection

VIII) Self assessment

Complete the self assessment with special attention to the sections on 'What I did well' & 'What I could improve'.

Bonus

- Make a brief ad or PSA (30 – 60 sec) to show an overview of your topic.

iMovies, Emaze, Prezi, Powtoons or PPT (or other)
