----------------------	--

Complete 4 cause and effect pairs for your story. The more descriptive you can be in showing the connection between the **CAUSE** and the **EFFECT** the stronger your answer will be. If you need a fun refresher on cause and effect watch this [video \(here\)](#)

*Cause: Why something happened*

*Example: It was raining.*

*Effect: What happened because of the cause*

*Example: The soccer game was cancelled.*
