

Drawing Conclusions

Name	
Class	

Name of Video Short:	
----------------------	--

A conclusion is a judgment / decision that you make after reading or investigating a story or topic.

You find it by using facts from the story. You mix that with what you already know.

What conclusion can you draw at the end of the short Story " Bye Bye "?
What evidence is there in the story to support that conclusion?
What conclusion can you draw about the stork in " Partly Cloudy "?
What evidence is there in the story to support that conclusion?
What conclusion can you draw about the father in " The Saint of Dry Creek "?
What evidence is there in the story to support that conclusion?
What conclusions can you draw about war from " The Nature of War "?
What evidence is there in the story to support that conclusion?
