**Write a piece based on a story you know but has a different conclusion.**

*You may choose to rewrite the ending of one of the visual short stories we have been looking at or you may choose to use another story you know. (Book, movie or video) It would be best if you used a conclusion you thought was possible when you encountered that story but it is up to you.*

Please remember to check your work before submitting. Look for errors in capitalization, run-on sentences, punctuation, lack of paragraphs and other convention errors.

- **Reluctant writer** - 50 - 100 words

*If you consider yourself a reluctant writer or do not like to write please aim for 50+ words.*

- **Mainstream writer** - 100+ words

*If you consider yourself a good writer and do not struggle please aim for 100+ words.*

- **Capable writer** - 150 - 200 words

*If you consider yourself a good writer and enjoy writing please aim for 100 - 200 words.*

The story I am rewriting the ending for is:
