

# 2

## Global Goals Application Project

### Applying What You See

To complete this project you must APPLY what you see to one or more of the UN Global Goals. If you want a refresher on the UN Global Goals check out this [Google Slideshow](#).

A) Find news stories that APPLY to the UN Global Goals.

- Place the URL (Link) and headline of the news story in the top cell (the blue one)
- Use the tables provided in the Project Sheet found in Google Classroom!
- Describe how the news story applies to this Global Goal
- How many news stories? That is up to you. Aim for 300+ words in total. Is that 2 news stories or 5? You get to decide.

OR B) Find pictures on the internet that APPLY to the UN Global Goals

- Place the URL (Link) or paste the picture in the top cell (the blue one)
- Use the tables provided in the Project Sheet found in Google Classroom!
- Describe how the picture applies to this Global Goal
- How many pictures? That is up to you. Aim for 300+ words in total. Is that 2 pictures or 5? You get to decide.

OR C) Identify places (cities, countries) where APPLYING the UN Global Goals would make a big difference.

- Place the name of the city / country in the top cell (the blue one)
- Use the tables provided in the Project Sheet found in Google Classroom!
- Describe why this place needs this this Global Goal
- How many places? That is up to you. Aim for 300+ words in total. Is that 2 places or 5? You get to decide.

OR

D) Other - other ways to take what you see and APPLY the UN Global Goals

- If you have other ideas of how to apply the UN Global Goal to what you see contact Ingram.

How much should I write?

Where should I write?

You should aim to write 300+ words in total.  
You may write 300+ words about one goal or you may write about several goals.  
Examples:  
4 Goals at 75 words each = 300 words  
5 Goals at 60 words each = 300 words

Choose the appropriate section  
If your news story is about **Poverty** use Sec # 1 (**Poverty**)  
If your story is about **Life Below Water** use sec # 14 (**Life Below Water**)  
If your picture is about **Health** use sec # 3 (**Health**)  
If your place (city?) needs **Sanitation** use sec # 6 (**Sanitation**)
