

# Global Goals Project

## Global Goals Project (Project Based Learning)

**BONUS) – Make a brief Ad / PSA to show an overview of your topic.**

*iMovies, Emaze, Prezi, Powtoons or PPT (or other)*

Make a short video or presentation that would take about 30 – 60 seconds to play through.

Please remember that a good Ad will

- Make people interested in learning more about your topic.
- Highlight important events, facts or statistics
- Have interesting maps , pictures or graphics
- Have good sound that fits the topic
- Be interesting to watch

### Student Self Assessment for Ad or PSA

Think about each question carefully.		Circle the correct assessment				
A	Do I show the basic premise of what my project is trying to convey?	0	0.5	1	1.5	2
B	Have I used pictures, maps and graphic to show people why this topic is important?	0	0.5	1	1.5	2
C	Have I used facts, statistics and data to show people items of significance on this topic?	0	0.5	1	1.5	2
D	Have I used technology to make this topic and the driving questions around it seem important and interesting?	0	0.5	1	1.5	2
E	Did I work hard and push myself to learn new things about my topic and about technology?	0	0.5	1	1.5	2
Overall		Total points:
